# Pre-survey on Donation of Broadcasting Equipment Program

- Korea's ODA (Official Development Assistance) Project -

## ■ Overview

This pre-survey is about 'Donation of Broadcasting Equipment Program', a part of South Korea's ODA (Official Development Assistance) project, supervised by Ministry of Science, ICT & Future Planning and implemented by Korea Radio Promotion Association.

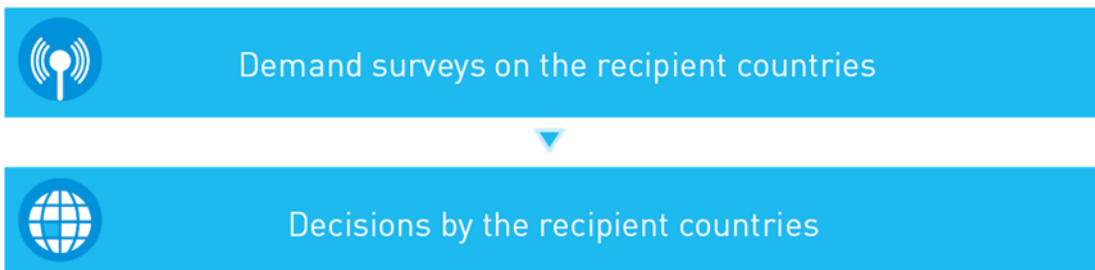

The ODA project is an international cooperative program that is designed to provide broadcasters in beneficiary countries designated by the OECD's DAC (Development Assistance Committee) with analogue and digital broadcast equipment. South Korea is planning to share its know-how and experience with other countries, based on its success in Digital Broadcasting Transition in 2012.

Aim of this pre-survey is to understand what your country/company thinks of this ODA project, and the results will serve as basic information for the efficient management of the project. Your thoughtful answers will help cooperation between your country and South Korea.
